

## Why YOU should join a WCET Committee?

- You are a member of the WCET
- Meet and work with colleagues from around the world
- Learn about ET nursing in other countries
- Participate in the global development of ET nursing
- Learn how to develop guidelines for ET programs
- Have opportunities to review articles
- Develop editorial skills
- Develop creative ideas for fund raising
- Enhance your creativity in editing, designing and publishing
- Develop skills in maintaining a website
- Learn how to develop proposals and motions
- Develop skills for conducting an effective business meeting
- Your opportunity to promote the WCET
- Enhance your leadership skills

**Constitution Committee:** ensures that the WCET is governed and all business is conducted according to the framework of the constitution and complies with the Charities Commission requirements.

**Education Committee:** promotes ET nursing education globally by setting guidelines and assisting countries to develop ET nursing education programs and services.

**NNGF Committee:** awards scholarships globally to those wishing to work in the field of ET nursing. The NNGF sponsors Twinning Projects promoting mutual support between countries to develop ET nursing services.

**Publications and Communications Committee:** develops, revises and maintains the WCET publications such as brochures, flyers and country reports. The committee also ensures the website is updated with current information.
